Gentlemen,

The draft NPDES permits for your folks have been completed and were mailed to you on October 27, 2000. Knowing that it might take 1- 3 weeks to arrive, I am e-mailing the permit for your early review. The draft permit has also been mailed to others, including Jim Cox, Steve Costa, ASEPA, Mike Dworsky, Nancy Daschbach (AS Marine Sanctuary Program) and Lelei Peau.

The public notice for the permit should appear in the AS daily newspaper sometime this week.

If you have any questions, I will be glad to assist you. The letters that accompany the permit explain the procedure for submitting comments concerning the permit itself.
